I realize that this response comes after Todd sent some other thoughts that might change the order of some of the information, but I was already in progress on some suggested edits. See the attached word document. Please let me know if we need to rethink some of the phrasing suggestions.

Subject: SO2 Designations: Review of Pager for Ameren Labadie

Good morning,

We got pinged for a meeting with Senator McCaskill's staff to discuss the intended nonattainment designation for Franklin County, Missouri (Ameren Labadie). At Scott's request, a pager has been developed with his specified info.

Can you all take a quick look to make sure I've characterized everything correctly? Info was taken from the MO TSD and Sierra Club's letter/compliance report for the facility. Keeping relevant info to a page for this type of shenanigans is harder than I thought it'd be...

Sorry for tight turnaround; we aspire to have something that Scott can tweak by noon eastern today...
